59th ANNUAL ASSEMBLY
PROGRAM

APRIL 23RD-26TH, 2020

SARATOGA SPRINGS CITY CENTER - SARATOGA SPRINGS, NY

MESSAGE FROM THE PRESIDENT

Dear Colleagues,

I am excited to invite you to the NYSCHP 59th Annual Assembly at The Saratoga Springs City Center in Saratoga Springs, NY from Thursday, April 23rd to Sunday, April 26th, 2020. The NYSCHP Annual Assembly is the premier New York meeting of health-system pharmacists who gather to learn from pharmacy leaders, discuss challenges and best practices, build professional networks, and plan for future practice improvements. The Annual Assembly typically draws over 450 attendees from student – pharmacists to Chief Pharmacy Officers and administrators. It is the single most important meeting for New York State health-system pharmacists to attend each year. The Annual Assembly typically draws over 80 industry exhibitors. Our industry colleagues and partners have the opportunity to display, demonstrate, and discuss their products and services. The exhibit hall will take place on Friday, April 24th, providing two hours for conference attendees to meet with exhibitors and discuss the latest information about pharmaceuticals, technologies and products. In addition, two Director of Pharmacy/Industry networking event sessions are offered: a 90-minute session on Thursday following the House of Delegates meeting, and a second 90-minute session on Saturday, following the Keynote Address. The Director of Pharmacy/ Industry networking sessions provide an exceptional opportunity to discuss your products and solutions and build long-lasting relationships.

We are particularly proud that we will once again feature the Residency Research & Practice Forum in conjunction with the Annual Assembly; residents from around the state will be performing platform presentations on their residency projects. The forum is entering into its sixth year; we look forward to further growth and success of this event again this year.

The theme aligns with NYSCHP's strategic plan: to engage, lead, and advocate. We are excited to be offering numerous educational programs at the Annual Assembly that focus on advancing pharmacy practice as well as leadership.

We hope that you will join us at the Annual Assembly in 2020 to experience our exhibit hall and networking sessions, educational programs, and Residency Research & Practice Forum. We also showcase our closing banquet where we congratulate our award winners and welcome the incoming President and Board of Directors; these events are not to be missed. I promise you will leave the meeting having learned something new, having made a new contact, and feeling refreshed about our great profession.

I look forward to seeing you there this Spring!

Sincerely,

Lisa M. Voigt, Pharm.D, BCPS, BCCCP
President
