

NYSCHP

New York State Council of
Health-system Pharmacists

Advancing Pharmacy
Through Resiliency

61ST ANNUAL ASSEMBLY PROGRAM

SARATOGA SPRINGS CITY CENTER | SARATOGA SPRINGS, NY

MESSAGE FROM THE PRESIDENT

Angela Cheng-Lai, PharmD, BCPS | PRESIDENT

Dear Colleagues,

I am excited to invite you to the NYSCHP 61st Annual Assembly at The Saratoga Hilton and City Center in Saratoga Springs, NY from Thursday, April 20 to Sunday, April 23, 2023. The NYSCHP Annual Assembly is the premier New York meeting of Health-system pharmacists from around the state who gather to learn from pharmacy leaders, discuss challenges and best practices, build Professional networks, and plan for future practice improvements. The Annual Assembly typically draws over 350 attendees from student - pharmacists to Chief Pharmacy Officers and administrators. It is the single most important meeting for New York State Health-system Pharmacists to attend each year.

The Annual Assembly typically draws over 80 industry exhibitors. Our industry colleagues and partners have the opportunity to display, demonstrate, and discuss their products and services. The Exhibit Hall will take place on Friday, April 21, providing two hours for conference attendees to meet with exhibitors and discuss the latest information about pharmaceuticals, technologies and products. In addition, two Director of Pharmacy/Industry networking event sessions are offered: a 90-minute session on Thursday immediately following the first House of Delegates meeting, and a 90-minute session on Saturday morning. The Director of Pharmacy/ Industry networking sessions provide an exceptional opportunity to discuss your products and solutions and build long-lasting relationships.

We are particularly proud that we will once again feature the Residency Research & Practice Forum in conjunction with the Annual Assembly; residents from around the state will be performing platform presentations on their residency projects. The forum is entering into its eighth year; we look forward to further growth and success of this event again this year.

The theme of this year's Annual Assembly is "Advancing Pharmacy through Resiliency". The theme highlights how the Health-system Pharmacy community came together to overcome immense challenges during the COVID-19 pandemic and how we will build on that unity to advance the profession and patient care in the coming years. We are excited to be offering numerous educational programs at the Annual Assembly that focus on advancing pharmacy practice.

We hope that you will join us at the Annual Assembly in 2023 to experience our exhibit hall and networking sessions, educational programs, and Residency Research & Practice Forum. We also showcase our celebratory theme event and closing banquet where we congratulate our award winners and welcome the incoming President and Board of Directors; these events are not to be missed. I promise you will leave the meeting having learned something new, having made a new contact, and feeling renewed and recharged about our great profession.

Sincerely,

Angela Cheng-Lai,
NYSCHP President

NYSCHP LEADERSHIP
