**56th ANNUAL ASSEMBLY
REGISTRATION PACKET**

April 28-30, 2017

The Sagamore Resort in Bolton Landing, NY

MESSAGE FROM PRESIDENT

Dear Colleagues,

I am excited to invite you to the NYSCHP 56th Annual Assembly at The Sagamore Resort in Bolton Landing, NY from Thursday, April 27 to Sunday, April 30, 2017. The NYSCHP Annual Assembly is the premier New York meeting of Health-system pharmacists from around the State who gather to learn from pharmacy leaders, discuss challenges and best practices, build Professional networks, and plan for future practice improvements. The Annual Assembly typically draws over 350 attendees from student – pharmacists to Chief Pharmacy Officers and administrators. It is the single most important meeting for New York State Health-system Pharmacists to attend each year.

The Annual Assembly typically draws over 80 industry exhibitors. Our industry colleagues and partners have the opportunity to display, demonstrate, and discuss their products and services. The exhibit hall will take place on Friday, April 28, providing two hours for conference attendees to meet with exhibitors and discuss the latest information about pharmaceuticals, technologies and products. In addition, two Director of Pharmacy/Industry networking event sessions are offered: a 90-minute session on Thursday immediately following the first House of Delegates meeting, and a 75-minute session on Saturday, just prior to the Installation Banquet. The Director of Pharmacy/Industry networking sessions provide an exceptional opportunity to discuss your products and solutions and build long-lasting relationships.

We are particularly proud that we will once again feature the Residency Research & Practice Forum in conjunction with the Annual Assembly; residents from around the state will be performing platform presentations on their residency projects. The forum is entering into its third year after two very successful years; we look forward to further growth and success of this event again this year.

The theme of this year's Annual Assembly is "Rebrand, Renew, Recharge". The theme aligns with the transitions that the NYSCHP successfully experienced this past year and that will carry through over the next year as we move forward in exemplifying our mission to represent our members and advance pharmacy as an essential component of health care. We are excited to be offering numerous educational programs at the Annual Assembly that focus on advancing pharmacy practice.

We hope that you will join us at the Annual Assembly in 2017 to experience our exhibit hall and networking sessions, educational programs, and Residency Research & Practice Forum. We also showcase our celebratory theme event and closing banquet where we congratulate our award

winner and welcome the incoming President and Board of Directors; these events are not to be missed. I promise you will leave the meeting having learned something new, having made a new contact, and feeling Renewed and Recharged about our great profession.

I look forward to seeing you there this Spring!

Sincerely,

Joseph Pinto
