

## Proceedings of the 2017 House of Delegates

April 27, 2017 & April 29, 2017

Dr. Marcia Gutfeld, Chair

Bolton Landing, NY

Shaun Flynn, Executive Secretary

Dr. Thomas Lombardi, Parliamentarian

<b>Call to Order</b>	The first session of the 44 <sup>th</sup> meeting of the House of Delegates of the New York State Council of Health-system Pharmacists was called to order at 2:00pm on April 27, 2016 by Marcia Gutfeld, Chair. All exits were noted.	
<b>Greetings/Acknowledgements</b>	The Chair introduced the head table.	
<b>Rules of the House</b> <i>Dr Marcia Gutfeld</i>	Chair, Dr. Marcia Gutfeld, reviewed the rules of the House of Delegates.	
<b>Roll Call of Delegates-</b> <i>Mr. Shaun Flynn</i>	The Executive Secretary of the House called the roll of the Delegates	<i>A quorum was declared present.</i>
<b>Minutes of the Previous Meeting</b>	The minutes of the 2016 House of Delegates meeting were posted on the official website of the New York State Council of Health-system Pharmacists and the delegates received links to the minutes. These minutes were considered received.	<i>Minutes approved by the House.</i>
<b>Suspension of the Rules</b> <i>Marcia Gutfeld</i>	The rules of the house were suspended to afford Mr. James Lytle, Esq, Lobbyist for NYSCHP the opportunity to address the house.	<i>The rules were suspended to allow for the report</i>
<b>Preliminary Report of the Committee On Resolutions Policy</b> <i>Dr. Elizabeth Shlom</i>	<p><b>01-17</b> The New York State Council of Health-system Pharmacists supports regulations related to the prescription recycling bill that sufficiently address the role of the patient as a donating entity.</p> <p><b>02-17</b> The New York State Council of Health-system Pharmacists supports the recommendation to request of all CPOE systems to provide age specific pediatric laboratory value and monitoring reference ranges.</p> <p><b>03-17</b> The New York State Council of Health-system Pharmacists petitions ACPE to standardize pharmacy school grading policies.</p> <p><b>04-17</b> The New York State Council of Health-system Pharmacists petitions ASHP and the FDA to require that manufacturers adopt a practice of appropriately decontaminating the exterior of containers and packaging materials for hazardous drugs prior to transport. Furthermore, such products should be transported and stored in a device that isolates the hazardous drug and prevents contamination should a product become, broken, damaged or destroyed.</p> <p><b>05-17</b> The New York State Council of Health-system Pharmacists opposes the establishment of a philosophical exemption from school immunization requirements in New York state.</p> <p><b>06-17</b> The New York State Council of Health-system Pharmacists encourages manufacturers to conduct more research on pharmacokinetics and pharmacodynamics in patients receiving continuous renal replacement therapy (CRRT) to ensure appropriate antimicrobial dosing. The</p>	<i>Report received by the House.</i>

	<p>council also encourages manufacturers to include detailed information on the characteristics of individuals who are on CRRT in drug dosing studies.</p> <p><b>07-17</b> The New York State Council of Health-system Pharmacists believes that all Americans should have the option to have health insurance and thereby supports access to affordable, equitable, and quality healthcare for all.</p> <p><b>08-17</b> The New York State Council of Health-system Pharmacists encourages manufacturers to conduct more research on the pharmacokinetics and clinical efficacy of medications in obese population (bmi <math>\geq</math>30 kg/m<sup>2</sup>), especially for medication that are most likely to be affected by obesity. The council also encourages manufacturers to include detailed information on the characteristics of obese individuals in drug dosing studies.</p> <p><b>09-17</b> the New York State Council of Health-system Pharmacists supports interprofessional education and training as a component of didactic and experiential pharmacy education. The council also supports continued interprofessional education, mentorship, and professional development for pharmacy students, pharmacy technicians, and pharmacists.</p> <p><b>10-17</b> The New York State Council of Health-system Pharmacists opposes unreasonable and grossly excessive drug price increases that make access to life-saving medications cost-prohibitive to patients and the healthcare system, and therefore, support the inclusion of medications as "essential consumer goods<sup>1</sup>" in New York state's price gouging laws (general business law § 396-r).</p> <p><b>11-17</b> The New York State Council of Health-system Pharmacists supports registration of community pharmacy business hours with the board of pharmacy, to be made publicly available on the office of the professions website along with pharmacy registration information, for access by the public and healthcare professionals.</p> <p><b>12-17</b> The New York State Council of Health-system Pharmacists supports the inclusion of infectious diseases pharmacists to serve as part of the multidisciplinary decision-making process with outpatient parenteral antimicrobial therapy (OPAT) service from the initiation of long term parenteral antimicrobials upon discharge to the continuity of outpatient care. New York State Council of Health-system Pharmacists supports the role of infectious diseases pharmacist in OPAT program to improve patient safety, clinical efficacy, optimize resource utilization, and decrease health care expenditures which align with the fundamental goals of antimicrobial stewardship as recommended by the centers for disease control.</p> <p><b>13-17</b> The New York State Council of Health-system Pharmacists supports the development of a suggested structured pharmacy intern role within the healthcare system setting to optimize their concurrent training and unique skillset within the pharmacy team. Moreover, the New York State Council of Health-system Pharmacists supports guidance by the board of pharmacy on the unique</p>	
--	---	--

	<p>activities deemed appropriate for employed pharmacy interns based on their year of training.</p> <p><b>14-17</b> The New York State Council of Health-system Pharmacists supports ASHP efforts in the development of standardized adult medication concentrations and to minimize the number of available concentrations in order to reduce medication errors. Furthermore, The New York State Council of Health-system Pharmacists supports manufacturer production of standardized concentrations as listed in the aforementioned ASHP reference.</p> <p><b>15-17</b> The New York State Council of Health-system Pharmacists supports the use ASHP competency tool as a basic standardized annual competency across institutions in New York state in order to establish uniformity.</p> <p><b>16-17</b> The New York State Council of Health-system Pharmacists supports the continued ability of covered entities to participate in the 340b program to allow covered entities “to stretch scarce federal resources as far as possible, reaching more eligible patients and providing more comprehensive services,” as indicated in the federal register 82.3 (2017)<sup>1</sup>.</p> <p><b>17-17</b> The New York State Council of Health-system Pharmacists advocates for and encourages the development of health-system ambulatory retail pharmacy practice.</p> <p><b>18-17</b> The New York State Council of Health-system Pharmacists petition the NYS Board of Pharmacy to require that pharmaceutical manufacturers allow hospitals in the state of New York to have unrestricted access to specialty pharmaceuticals.</p> <p><b>19-17</b> The New York State Council of Health-system Pharmacists supports the development of fair and consistent standards and guidelines for auditing health-system pharmacies.</p>	
<b>Preliminary Report of the Committee on Nominations –</b> <i>Dr Stephanie Seyse</i>	The Committee on Nominations announced the offices to be filled: President-elect, Vice President of Public Policy, Director of Chapter Services, Director of Communications and Director of Pharmacy Management.	<i>Report received by the House</i>
<b>Report of the Vice President of Public Policy</b> <i>Dr Monica Mehta</i>	Dr. Mehta summarized her report.	<b># 1 APPROVED:</b> To accept the report of the Vice President of Public Policy
<b>Report of the Executive Director-</b> <i>Mr. Shaun Flynn</i>	The Executive Director summarized his report.	<b>#2 APPROVED:</b> To accept the report of the Executive Director.
<b>Report of the Treasurer</b> <i>Dr. Leila Tibi-Scherl</i>	The Treasurer summarized her report.	<b># 3 APPROVED:</b> To accept the report of the Treasurer.

<p><b>Final Report of the Committee on Resolutions-</b> <i>Dr. Elizabeth Shlom</i></p>	<p><b>12-17</b> The New York State Council of Health-system Pharmacists supports the inclusion of infectious diseases pharmacists to serve as part of the multidisciplinary decision-making process with outpatient parenteral antimicrobial therapy (OPAT) service from the initiation of long term parenteral antimicrobials upon discharge to the continuity of outpatient care. New York State</p>	<p><b>#24 Resolution Adopted</b></p>

	Council of Health-system Pharmacists supports the role of infectious diseases pharmacist in OPAT program to improve patient safety, clinical efficacy, optimize resource utilization, and decrease health care expenditures which align with the fundamental goals of antimicrobial stewardship as recommended by the centers for disease control.	
<b>Final Report of the Committee on Resolutions-</b> <i>Dr. Elizabeth Shlom</i>	<b>13-17</b> The New York State Council of Health-system Pharmacists supports the development of a suggested structured pharmacy intern role within the healthcare system setting to optimize their concurrent training and unique skillset within the pharmacy team. Moreover, the New York State Council of Health-system Pharmacists supports guidance by the board of pharmacy on the unique activities deemed appropriate for employed pharmacy interns based on their year of training.	<b>#25 Resolution Adopted as Amended</b>  The New York State Council of Health-system Pharmacists supports the development of a suggested structured pharmacy intern role within the healthcare system setting to optimize their concurrent training and unique skillset within the pharmacy team.
<b>Final Report of the Committee on Resolutions-</b> <i>Dr. Elizabeth Shlom</i>	<b>14-17</b> The New York State Council of Health-system Pharmacists supports ASHP efforts in the development of standardized adult medication concentrations and to minimize the number of available concentrations in order to reduce medication errors. Furthermore, The New York State Council of Health-system Pharmacists supports manufacturer production of standardized concentrations as listed in the aforementioned ASHP reference.	<b>#26 Resolution Adopted</b>
<b>Final Report of the Committee on Resolutions-</b> <i>Dr. Elizabeth Shlom</i>	<b>15-17</b> The New York State Council of Health-system Pharmacists supports the use ASHP competency tool as a basic standardized annual competency across institutions in New York state in order to establish uniformity.	<b>Resolution Withdrawn</b>
<b>Final Report of the Committee on Resolutions-</b> <i>Dr. Elizabeth Shlom</i>	<b>16-17</b> The New York State Council of Health-system Pharmacists supports the continued ability of covered entities to participate in the 340b program to allow covered entities "to stretch scarce federal resources as far as possible, reaching more eligible patients and providing more comprehensive services," as indicated in the federal register 82.3 (2017).	<b>#27 Resolution Adopted</b>
<b>Final Report of the Committee on Resolutions-</b> <i>Dr. Elizabeth Shlom</i>	<b>17-17</b> The New York State Council of Health-system Pharmacists advocates for and encourages the development of health-system ambulatory retail pharmacy practice.	<b>#28 Resolution Sent to Committee</b>
<b>Final Report of the Committee on Resolutions-</b> <i>Dr. Elizabeth Shlom</i>	<b>18-17</b> The New York State Council of Health-system Pharmacists petition the NYS Board of Pharmacy to require that pharmaceutical manufacturers allow hospitals in the state of New York to have unrestricted access to specialty pharmaceuticals.	<b>#29 Resolution Sent to Committee</b>
<b>Final Report of the Committee on Resolutions-</b> <i>Dr. Elizabeth Shlom</i>	<b>19-17</b> The New York State Council of Health-system Pharmacists supports the development of fair and consistent standards and guidelines for auditing health-system pharmacies.	<b>#30 Resolution Adopted as Amended</b>

		The New York State Council of Health-system Pharmacists supports the development of fair and consistent standards and guidelines for auditing pharmacies.
<b>VP Election</b>	An election was held for the position of VP for Public Policy	<b>Andrew Kaplan was elected VP</b>
<b>New Business</b> <b>Robert DiGregorio</b>	NYSCHP advocates for key decision making roles for pharmacists in the planning, selection, design, and implementation, and maintenance of medication-use information systems, electronic health records, computerized provider order entry systems and e-prescribing systems to facilitate clinical decision support, data analysis, and education of users for the purpose of ensuring the safe and effective use of medications; further, NYSCHP advocates that pharmacists must have accountability for strategic planning and direct operational aspects of the medication-use process, including the successful deployment of medication-use information systems.	<b>#31 Resolution Adopted as Amended:</b> NYSCHP advocates for key decision making roles for pharmacists in the planning, selection, design, and implementation, and maintenance of medication-use information systems, electronic health records, computerized provider order entry systems, <i>automated dispensing technologies</i> and e-prescribing systems to facilitate clinical decision support, data analysis, and education of users for the purpose of ensuring the safe and effective use of medications; further, NYSCHP advocates that pharmacists must have accountability for strategic planning and direct operational aspects of the medication-use process, including the successful deployment of medication-use information systems; <i>further, NYSCHP supports that pharmacists engaged in the design, implementation and maintenance of these systems have academic and/or experiential credentials (for example IT Certificate program, informatics residency, and EMR training certification) to help ensure process efficiencies while minimizing patient safety risk in the medication use process.</i>

<p><b>New Business</b> <b>Monica Mehta</b></p>	<p>NYSCHP supports expanded access to oral contraceptives through a proposed intermediate category of drug products that would be available from all pharmacists and licensed health care professionals (including pharmacists) who are authorized to prescribe medications. The council also supports that the proposed reclassification of oral contraceptives shall be accompanied by coverage changes by third-party payers to ensure that patient access is not compromised and that pharmacists are reimbursed for the clinical services provided.</p>	<p><b>#31 Resolution Adopted as Amended:</b></p> <p>NYSCHP supports expanded access to oral contraceptives through a proposed intermediate category of drug products that would be available from all pharmacists and licensed health care professionals. The council also supports that the proposed reclassification of oral contraceptives shall be accompanied by coverage changes by third-party payers to ensure that patient access is not compromised and that pharmacists are reimbursed for the clinical services provided.</p>
<p><b>Recognition of the Board of Directors-</b> <i>Dr. Marcia Gutfeld</i></p>	<p>The Chair of the House of Delegates recognized the members of the Board of Directors who have completed their terms in office: Dr. Stephanie Seyse, Dr. Monica Mehta, Dr. Lisa Voigt.</p> <p>The Chair of the House of Delegates recognized the members of the Board of Directors who will be serving next year: Mr. Christopher Jadoch, Mr. Joseph Pinto, Dr. Anthony Longo, Dr. Robert DiGregorio, Dr. Dr. William Prescott, Dr. Robert Berger, Ms. Heide Christensen, Dr. Ruth Cassidy and Dr. Catherine Millares.</p>	
<p><b>Presidential Address</b> <i>Mr. Joseph Pinto</i></p>	<p>Mr. Pinto delivered the presidential address.</p>	
<p><b>Recommendations</b> <i>Dr. Marcia Gutfeld</i></p>	<p>Dr. Gutfeld called for recommendations from the House.</p>	
<p><b>Recommendation</b> <b>Frank Sosnowski, Past President</b></p>	<p>The Council hold a caucus on resolution topics live at the Annual Assembly</p>	
<p><b>Recommendation</b> <b>Frank Sosnowski, Past President</b></p>	<p>The Board reconsider reinstating the Winter Educational Program.</p>	
<p><b>Recommendation</b> <b>Kerry Day, Westchester</b></p>	<p>Add the Director of Industry Relations to the Resolutions Committee.</p>	

Recommendation Ted Friedman, Past President	Provide members with information on the disbursement of PAC funds	
Recommendation Ted Friedman, Past President	Ensure that any changes to a policy of the Council that requires HOD approval be distributed at least 60 days in advance of any meeting including the Virtual House.	
Recommendation Sal Ventrice, Royals	Reinstate the HOD to a single day meeting.	
Recommendation Karen Berger, NYC	The Council send at least two renewal notices prior to the expiration of membership.	
Recommendation Leigh Briscoe -Dwyer Past President	Appoint Steven Tuckman to the Resolutions Committee.	
Recommendation Vickie Powell, NYC Past President	The Council support the utilization of technology in MTM.	
Recommendation Harshal Shukla, NYC Pavel Goiacko, NYC	The Council align the definition of "new practitioner" with the one used by ASHP.	
Recommendation Steven Tuckman, Westchester	The Council should provide coffee for the Annual Assembly softball game.	
Recommendation Steven Tuckman, Westchester	Programming or activities should be planned for significant others who attend the Annual Assembly	
Recommendation Steven Tuckman, Westchester	The Council should create a permanent committee or sub-committee to address ambulatory pharmacy issues.	
Recommendation Yi Guo, NYC Maabo Kludze, NYC	The Council should re-format the resolutions on the web site to include titles that reference the practice related topics.	
Recommendation Christian Bernhardt	The Council move the Annual Assembly back a few weekends to accommodate student examination schedules and improve efforts to increase student programming at the Annual Assembly.	

<p><b>Close of the Second Session of the House of Delegates-</b> <i>Dr. Marcia Gutfeld</i></p>	<p>The second session of the 44<sup>th</sup> meeting of the House of Delegates was adjourned on April 29, 2017.</p>	<p><b>#32 APPROVED:</b> To adjourn the second session of the House of Delegates</p>
