

Committee: New York City Chapter of Health-system Pharmacists

Topic: Enhanced communication between New York State Board of Pharmacy and licensed pharmacists

Sponsored by: Jason Babby, Zane Last

Whereas, Several State Boards of Pharmacy (i.e. Texas, California, and Ohio) publish their own newsletter in an effort to keep pharmacists informed about pharmacy practice law, and,

Whereas, The NABP State Newsletter Program provides pharmacists in 33 other states with vital information about their state's pharmacy laws and board of pharmacy regulations, and,

Whereas, The University of Buffalo publishes a pharmacy law newsletter providing current and concise information about pharmacy practice laws, rules, and regulations in New York State as an educational service to the New York pharmacists, and,

Whereas, Enhanced communication of current pharmacy rules and regulations and amendments to laws from the New York State Board of Pharmacy to licensed pharmacists will promote compliance, therefore, be it

Resolved That,

The New York State Council of Health-System Pharmacists encourages the New York State Board of Pharmacy to publish an online newsletter to promote voluntary compliance of pharmacy and drug law.
