

NYSCHP Photo Release Policy

By attending events, attendees acknowledge and consent to the possibility of being photographed or recorded by representatives of the New York State Council of Health-system Pharmacists (NYSCHP). Attendees further agree that any photographs, video recordings, or other media captured during the event may be used by NYSCHP for promotional, educational, or marketing purposes. Such materials may appear in printed publications, on websites, social media platforms, or in other public communications, without further notice or compensation. Major event registrations should include an opt-out for photo release.
