## Local Chapter Happenings

•The Long Island Chapter welcomed back live events, successfully relaunching live CE events and more! The Long Island Chapter has also been able to collectively donate \$692 to Children In Need Haitian Project (CINHP), a child-focused 501(c)3 organization which works in Lespinasse, Haiti. The donated funds go toward education and food for children in a remote mountainous region. “LISHP ARE THE FIRST supporters of this scholastic effort which will open up the opportunity for higher education – even, perhaps, university.”

## New Practitioner Spotlight

- **Angel Liu, PharmD**, is one of the many fantastic new pharmacy practitioners! Angel is originally from Queens, New York. She completed her Doctor of Pharmacy degree at St. John's University College of Pharmacy and Health Sciences. She is currently the PGY-1 Pharmacy Resident at Montefiore Medical Center. Her professional interests include oncology, ambulatory care, and internal medicine.
